Amy -
I'm glad I met you!
And I definetly hope I see more of
you in years to come! If
you happen to get the urge to
see me
Turn to
289!

This book is made by and for us, at GHS, that it might give some joy and encouragement to us. It is based on us, the students, and will serve as a reminder of this year. It is a celebration of our accomplishments and it celebrates those special events of the school year - sports, Homecoming, senior trips, and, above all, graduation.

To celebrate is also to honor. We honor those who worked with us, those of us who sought to make improvements, those of us who did reach our goals or did our very best.

Although all of us are different, in interests, opinions, heritage, and religion, we have one goal in common. We are students at GHS, and we worked together, all of us, to make this school year a great one. HERE'S TO US!.

Amy,
I'm really glad I met you this year and got to know you. I had a lot of fun. Next year it will be fun with all of us in Soccer and Badminton, I'm looking forward to this summer. We can play Badminton and go swimming at Tree Haven. Just Kidding. But I do want to see you. We can go to the movies ~~to~~ with Nikki. I can't wait till the fair. I hope your pigs and lambs do well. I'm running out of things to say so I'd better go. See you soon.

Love,
Michele J.

Water polo varsity posts best record

The varsity water polo team surpassed their goal of a .500 season as they started the year with a six-game winning streak, a GHS record.

A three-game losing streak which followed was partially attributed to a loss in bench strength when several players were moved down to fill out the junior varsity team.

Led by seniors Greg Miller, Blane Beadnell, and Pete Chadim, the team righted itself to win the next three games.

Three straight losses to top-ranked teams ended the regular season, but the 9-6 record was the best ever posted by a GHS water polo team.

Beadnell, the team's MVP and leading scorer, was named all-league.

Goalie Jim Bob Hoggan was chosen team captain, Pete Chadim the Most Inspirational Player, and Tas Heinrich the Most Improved Player.

Greg Miller recieved the Coach's Award.

Bid for second title falls short

At first, it seemed like the 1982 football season would be a repeat of the previous two, as the Mustangs lost their first two games, then got their running game going to win the next three.

Losses to Salinas and North Salinas ruined Gilroy's chances for a second straight MBL title, and a third league loss, to eventual CCS runner-up Seaside, killed their hopes for a wild-card berth in the CCS playoffs.

Although the Mustangs did not win the league title, at least they won the South County championship. Tailback Ernie *(ET)* Trevino's 66-yard touchdown run and Mike Boucher's extra point kick gave Gilroy a 7-6 win over Hollister. Trevino and Rudy Diaz scored in a 15-3 Homecoming Game win over Live Oak, the first Gilroy win over the Acorns in seven years.

Trevino had several big games for the Mustangs, including a four-touchdown performance in the win over Monterey and a two-touchdown showing against Watsonville.

Trevino, linebacker Chris Alexander, the key to the Mustangs' defense, and guard Jeff Sosa, who provided much of the blocking to spring Trevino, were all named to the All-MBL team.

Mid-season losses ruin dream season

1982 was almost a dream season for the junior varsity football team, as they started the year with five wins in a row, but then lost to Salinas, 16-6, and North Salinas, 27-6.

The Ponies had several exciting wins on the way to their 8-2 mark. Most Valuable Back Dennis Subia scored the winning touchdown in a 16-14 win over Monterey. Most Valuable Player Scott Gaffney went 85 yards for a score against Seaside, the only time Gilroy got past the 50-yard line, to give the jayvees their 7-0 win.

Gaffney also scored twice in the 53-0 rout of Watsonville.

But the most exciting game and the most gratifying win had to be the 15-14 victory over Live Oak.

After a 36-yard field goal by Francisco Mendoza in the first three minutes of the game, the Ponies scored on a one-yard plunge by quarterback Mike Paterson and a 10-yard pass to their leading receiver, Matt Walters.

Other awards given at the year-end banquet were Most Valuable Lineman to Mike Botill, Coach's Awards to Carl Greenough, Matt Walters, Raul Lerma, and Jose Felix, and the David Campos Award to Ruben Martinez.

Frosh post 9-0 record

A strong ground game and a superb defense helped the Gilroy freshman team run up a 9-0 record and capture the MBL freshman title.

The defense, led by team MVP Kevin Scoggins, Dino Garcia, Jesse Trujillo, and Joey Naccorotto, had five shutouts and never allowed more than one touchdown in a game.

Offensively, the frosh had at least one back gain 100 yards in every game, usually either Mike Martensen or Mike Vasquez.

The key games in their perfect season were against Salinas and North Salinas, where goal-line stands gave the Ponies their wins.

Martensen, who had three touchdowns against Hollister and a 60-yard TD against Watsonville, was named the team's Most Valuable Back. Dino Garcia received the Most Valuable Lineman award, and Mike Vasquez the Coach's Award.

Hockey team wins WVL title

Things didn't look too promising when the 1982 varsity field hockey team lost its opening game by an 8-0 score, but by the end of the season coach Nina Edwards' club had overcome inexperience and the loss of their top goalie to take the West Valley League title and go to the CCS playoffs for the sixth year in a row.

Led by goalie Ramona Maxey, the defense posted five shutouts and allowed more than one goal only five times.

Bonnie Marks scored eighteen goals and Cindy Gomez nine to lead the offense.

Marks, Gomez, Wendy Hanna, Amy Posada, and Collette Wenger all made all-league.

After drawing a bye in the first round of the CCS playoffs, Gilroy lost to Saratoga, a team they had beaten earlier in the year.

JVs place third after slow start

Despite a slow start, losing their first two games to Lynbrook and Saratoga, the junior varsity field hockey team recovered to finish third in the West Valley Athletic League.

Coach Alice Hanna felt that the most exciting games were against Live Oak and Prospect, both of which ended in 1-1 ties. The team's best game, however, was probably the 2-0 win over league champion Branham.

Sylvia Martinez, who had five goals for the year, was named the Most Valuable Offensive Player. Adrianna Olivares was named the Most Valuable Defensive Player.

"I was very pleased with the team's efforts," stated Hanna, who coached the team for the first time this year.

Girls post perfect records

The Gilroy girls' cross-country teams continued to post outstanding marks, this year going undefeated in dual meets.

In MBL finals, the varsity took first while the jayvees had to settle for second.

Depth was the main reason for both teams' records, as five different girls paced the team in different meets.

Freshman Colleen Fahey took first in the Salinas meet, and placed sixth at league finals.

Cindy Whitmer's second place finish paced the win over Seaside.

Alma Gonzales led the Mustangs in their wins over North Salinas and Notre Dame. She also took eleventh in the RLS Invitational and was named the Most Valuable Runner for the varsity.

Cindy Whitmer and Gretchen Yoder, who was named varsity captain, finished second and third to pace the win over Seaside.

Tina Vandenberg led the junior varsity at MBL finals with a fifth place finish. She also took first against Salinas.

Monica Mercado won the tri-meet against North Salinas and Notre Dame, and Anna Montelongo was the top Gilroy finisher against Seaside.

Boys' varsity second in dual meet standings

The boys' varsity cross-country team posted a 4-2 dual meet mark which left them tied for second place in MBL standings.

Bob Colbert paced the team throughout the season, setting a school record and a course record at Seaside.

Colbert took first against North Salinas, and finished 15th at the RLS Invitational despite falling down at the start of the race.

He took 6th at MBL finals and Ed Martinez finished 10th.

Martinez was named the Most Improved on the varsity team, while Colbert received the Most Valuable award.

Rick Mora and Doug Silkwood received Coach's Awards and Pete Covarrubias was named the Most Inspirational on the varsity team.

Covarrubias and Silkwood were chosen co-captains.

Frosh-soph, jayvees both go undefeated

Both the junior varsity and frosh-soph boys' teams rolled to undefeated dual meet records.

The junior varsity swept the first five places in two different meets, and were never really tested as their closest meet was the 24-35 win over Monterey.

The frosh-soph team also swept the top five places twice, but had a close call against North Salinas, winning 27-28.

Their second place finish at MBL finals left them as co-champs.

Bert Rangel paced the jayvees at league finals with a fourth place finish.

Rangel took first against North Salinas and finished second to Henrik Brolin against Seaside.

Jim Reed was named the Most Valuable frosh-soph boy and John Campos the Most Inspriational.

Campos finished second at MBL finals and was the team's top finisher against North Salinas.

Jody Saguindel won against Seaside but was unable to run in league finals.

Injuries lead to disappointing year

Members of the girls' tennis team were enthusiastic going into the 1982 season, but once league play began they were hit by so many injuries that some individual matches had to be forfeited.

Kim Blocher, second singles player, broke her wrist and missed almost half the season.

Hiroko Sato, third singles player, also missed one match because of an ankle injury.

First singles player Traci Hussar chipped an ankle and missed one match. The injury undoubtedly slowed her in several other matches, as she posted a 7-6 record in league play.

Haru Connolly, who teamed with Yuki Yamagishi on the first doubles team had knee problems throughout the year. After posting a winning record last year, the pair fell to 6-8 in league play this year.

1982 wasn't all bad news for coach Donna Ashmore's team.

Freshman Ashley Young posted a 9-2 mark playing in the fourth singles slot.

Ashmore teamed Young and Sato up as a doubles entry at league finals and the pair took second, despite not having played as a team before.

Third place finish best for swimmers

Finishing third in MBL dual meet standings and fourth at league finals made 1982 the most productive year in the history of the girls' swim team.

Several key individuals gave strong performances throughout the year and at league finals, among them Mary Maguire and Leslie Wable in the breaststroke. Maguire also swam on the relay team which qualified for CCS.

Colleen Kannely and Kim Reese were consistent point-getters in the butterfly, individual medleys, and backstroke.

After Reese's success in the 200-yard freestyle this year, coach Jeff Ross sees her as a potential league champion in that event.

The highlight of the season was placing a Gilroy swimmer at CCS for the first time. Debbie Snodgress took sixth in both the 500-yard freestyle and the 200-yard individual medley, after going undefeated in league competition.

Varsity ties for fourth

1982 was one of the best years ever for the varsity volleyball team, which tied for fourth place in the Monterey Bay League.

Coach Jana Ham's overall view was that it was a good season because the girls beat the teams they were supposed to beat and played very competitively against the toughest teams in the league.

Ham felt that the team improved as the season went on and she was very pleased with their progress.

Wendy Robinson, the lone Gilroy representative on the all-league team, received the team's Most Valuable Player award and Carrie Camino the Most Improved Player award.

Susie Garcia and Mikhaela Ortiz, who received all-league honorable mention, received Coach's Awards at the season-end banquet.

Strong second half key to jv season

An exceptional second-half of the 1982 volleyball season gave the junior varsity a 9-5 record and a fourth place finish in league play.

After going 4-3 in the first half, coach Jackie Harrison's team ran off six straight wins before losing to league champion Monterey in the final game of the season.

Harrison credited the team's skill and a change in strategy for the improvement. "Our strategy was to win this year. But I did have some bad feelings sometimes when some of the girls didn't get to play."

Team spirit was good, especially towards the end of the season. "We were almost like a big family," Harrison stated.

She felt that Brenda Martinez, Charlotte Carrasco, and captains Flora Valenzuela, Tina Toscano, Lucy Zamarron were the best players throughout the year. In her eyes, Tracy Holdaway and Melisa Recker were the players who improved the most.

Balance key to repeat title

Balanced scoring and a team effort keyed Gilroy's repeat MBL championship, as four Mustangs averaged in double figures on the way to a 21-8 record.

Coach Tracy Carpenter's club shared the championship with Monterey and Live Oak, but the Toreadores were eliminated from the CCS playoffs because they had the poorest record in play among the tri-champs, and Gilroy went to CCS as the league's second seed.

The Mustangs made it to the third round before losing to a taller, hot-shooting club from Aptos.

For the first time, Gilroy won the Bob Hagen Memorial Tournament, beating archrival Live Oak 60-57 in the championship game.

Two Mustangs made the all-MBL team, senior forward Steve Geer and junior guard Alfonso Aguilar.

Geer dominated the boards and averaged just over ten points a game, while Aguilar led the Gilroy scoring attack with a 19 point average.

Aguilar was named MVP of the Hagen Tournament, scoring a career-high 35 points in one game.

Geer and Aguilar shared the team's MVP award.

Point guard Mike MacDonald averaged 15 points a game and broke the school free-throw shooting record.

The fourth double-figure scorer, 6'8" sophomore center Derek Bruton also was a major force on defense, as he blocked 96 shots.

Another key contributor was senior defensive specialist Richard Jordan, who held CCS scoring champ Jim Hart of Harbor High to 11 points below his season's average in the Mustang's 60-58 upset win in the second round of the CCS playoffs.

Steve Baro and Ricardo Ruiz both provided hustle, good defense, and occasional scoring help off the bench.

Ponies post 12-12 mark

Unable to repeat the 22-2 record posted by last year's junior varsity, the Ponies settled for a 12-12 overall record.

MVP Scott Roesch led the jayvees in almost every offensive category.

The 5'11" point guard scored in double figures in almost every game, led the team in assists and shooting percentage, and paced the team in steals as well.

Captain Chuck McConnon and Doug Reed backed up Roesch's scoring efforts and, along with Otis Levy, provided strong backboard work.

"Our team played just like the word - a team," said first-year caoch Scott Callisch. "We needed five guys on the court."

Unlike several of the teams they faced, the Ponies played only sophomores, and no juniors.

This comparative inexperience and some critical injuries hampered the jayvees in some games.

Frosh boys play in two leagues

Playing in two different leagues, sometimes with games on the same day, the boys' freshman basketball team wound up with an 8-4 record in the Santa Clara Valley Athletic League and a 2-6 mark in the MBL.

First-year coach Kevin Carpenter was very pleased with the team's second-place finish in the SCVAL.

Joey Smith led the team in scoring, averaging 11.5 points per game, and totaling 275 points for the season.

Dave Villegas topped the club in rebounding and avearaged nine points a game.

Youth, inexperience lead to losing season for girls' varsity

Youth and inexperience had a lot to do with the girls' varsity basketball team posting a 4-10 league record, good for fifth place, and a 7-17 overall mark.

"We only had two seniors this year, Jakki Smith and Brigida Martinez, so everyone else will be back next year," said coach Jana Ham.

Senior forward Jakki Smith broke the girls' single-game scoring record with a 35-point performance in the Mustangs' 63-51 win over Monterey.

Smith was named to the first team all-league team, and junior center Cristine Filice made second team and sophomore Denise Recker received honorable mention.

Ham was optimistic about next year's team.

"We should have avery good year next year. The junior varsity was first in the league, and with the combination of the returning varsity players and the talent of the jayvee team we will be looking forward to a playoff season."

Jayvees take title

Hard work and depth were the key factors in the girls' junior varsity team's championship season, according to first-year coach Gail Pierleoni.

The Ponies ran up an 11-3 MBL record and a 15-4 overall mark.

They also took second place in their own Junior Varsity Invitational Tournament.

Sophomore Cheryl Baragona led the team in scoring and broke six records.

She established new marks in single-game scoring, with 19, total points in league play, with 140, scoring average in league play, with 10 points per game, and free throws made in league play, with 25.

She also set marks on the defensive end of the court with 69 steals in league play and a single-game high of ten.

Frosh girls finish third

The girls' freshman basketball team posted their first winning record this year, finishing third in the SCVAL with an 8-4 record and an overal 9-5 mark.

Kassie Bruton, the team's MVP, scored a record 20 points in one game.

Most Improved Player awards went to Stacy Enos and Christine Bettencourt, and Stephanie McWilliams received the Coach's Award.

"I was very impressed with how well the team worked together. All the girls were excellent athletes," stated coach Ron Kinoshita.

Soccer team comes back after 0-6 preseason mark to gain tie for championship

After a dismal 0-6 record in non-league games, the boys' varsity soccer team turned their season around and came back to post a 9-1-2 MBL record and tie Watsonville for the championship, before being eliminated from the CCS playoffs in a last-minute 1-0 loss to San Jose.

Head coach Mani Gonzalez felt the main reason behind the slow start was the addition of fifteen new players to this year's team.

"It takes time for new players to get used to playing together," he explained.

Gonzalez felt that the key game was the 3-2 loss to the Alumni.

"We were supposed to get killed, but we played them tough and I think it gave our players confidence and made them feel that they could win," he stated.

Francsco Mendoza scored 13 goals from his sweeper position to lead the team in scoring.

Mendoza, senior Mike Boucher, and freshman Jim Botelho all made the all-MBL team.

Final game loss kills JV hopes for championship

The junior varsity soccer team was in contention for the league championship until the last game of the year, a 2-1 loss to Watsonville.

Coach David Garcia's Ponies had been in first place for a while, as they started league play with a 4-0 record.

They finished the season with a 7-2-1 mark in MBL play and an overall record of 10-4-1.

Team captain Javier Alcantar led the scoring with 14 goals, while Roberto Orozco had 8.

Goalie Dylan Wilson and fullbacks Teofilo Delgado and Marcos Coronel anchored the defense.

Rob Avery gets off a pass as Gerardo Zepeda comes up to help.

Girls' soccer team finishes third again

The girls' varsity soccer team finished with an 8-6 record, placing third for the second year in a row behind league powers Leland and Gunderson.

Only one starter will graduate, four-year player Wendy Robinson, so coach Nina Edwards will have a good deal of experienced talent coming back for the 1983-84 season.

Junior Bonnie Marks, the team's offensive MVP, led the scoring with 15 goals, including a three-goal performance in an 8-1 win over San Jose.

Marks also scored two goals in three separate games, as she made all-league along with Amy Posada and Wendy Hanna, who was named the team's defensive MVP.

Posada scored 11 goals for the year, including a two-goal game against Lincoln.

Jenny Midtgaard, who was named the Most Improved Player, had three assists in the win over Lincoln.

Goalie Barbara Hoenck and Wendy Robinson made second team all-league, and Robinson and Amy Posada received Coach's Awards at the team's annual banquet.

Bonnie Marks and a Gunderson player seem to be performing a juggling act as they battle for possession of the ball.

JVs improve with experience

"Considering we only had a couple of girls who had any experience, I was real pleased. They improved a great deal," said coach Alice Hanna of the girls' junior varsity soccer team, which posted a 1-10-2 mark this year.

At the beginning of the year, Gilroy lost 10-0 to Mitty, a very experienced team. At the end of the season, they lost 4-1.

"We lost again, but it was a great improvement," said Hanna.

The only players with any experience were goalie Veronica Trujillo and substitute Frances Cabrera.

"Veronica did a real good job considering the amount of shots taken at her. She saved a lot," commented Hanna.

The top scorers were Avelyn Ines, Sylvia Martinez, and Charlotte Carrasco.

"Avelyn had a lot of hustle and Monica Hernandez really improved," stated Hanna.

Young team wins title

Despite having as many as eight sophomores in the varsity lineup, the Mustangs went undefeated in league matches and won the MBL tournament.

Traditionally, Gilroy is strongest in the lower weight classes, and this year was no exception as coach Charles Ogle's team had league champions at 101 pounds, in Mike Fields, 108 pounds, in Victor Cobos, and 122 pounds, in Mike Gilroy.

Vincent Cobos finished second in MBL finals at 115 pounds, Ricardo Sanchez took third at 135 pounds, James Fahely was second at 149 pounds, and Mike Camacho was third at 159 pounds.

This year the Mustangs had champions in the upper weight classes as well, as Chris Mirelez won the 170-pound division and Daron Williams won at 188 pounds.

Victor Cobos placed third in the CCS tournament and third at the Northern California Regionals to qualify for the state tournament.

He also placed in five invitational tournaments during the year.

Team captain Mirelez finished fourth in CCS to close out his GHS wrestling career.

Williams, a junior, placed in four tournaments and compiled a 34-6 record with 26 pins.

"Accomplishing as much as we did with such a young team opens the door to future success as the team grows," Ogle concluded.

Tough year for jayvees

The young and relatively inexperienced junior varsity wrestlers had a tough season, as they posted a 3-4 record in league matches and an overall 5-5 dual meet record.

Only three jayvees placed in league finals; Andy Nelson was third at 100 pounds, Bart Cooper, who was undefeated in league, took the 121-pound title, and freshman Don Prieto finished first at 170 pounds.
